August 2022

Dear Members of the Belleville Henderson Community,

As we drive around our school community, we witness some of the finest agricultural operations in our country, as well as, celebrate the beautiful Henderson Harbor and Lake Ontario! We are reminded what a great area this is to raise a family! Summer will soon wind down and we will soon be back together at school which begins for faculty on September 1, 2022 and students on September 6, 2022! Our Open House for students and parents is Thursday, September 1, 2022 from 5:30 PM to 7:00 PM.

As we get ready for the 2022-2023 school year, I'd like to share three developments. The Board of Education adopted two new goals. One goal is "To implement our Building Safety Plan and Code of Conduct with fidelity." Every year the Code of Conduct is reviewed, revised and re-adopted by the Board of Education. The District Safety Plan is reviewed, revised and re-adopted annually, as well. The Building Safety Plan is also reviewed and revised according to new safety practices annually and shared with local law enforcement.

The safety of our students and staff is our number one priority. We all pull together to ensure this happens. One revision to the District Safety Plan is to add a School Safety Officer to our district. We are currently advertising for this position. If anyone is interested in this position, please visit our website for this employment opportunity and call me at (315)846-5826 if you'd like more information.

The other Board goal is "To create an educational environment where the Board of Education, administration, teachers, staff, and community deliberately display and guide our students to learn and exhibit kindness, respect and professional behavior." We have wonderful students and staff at Belleville Henderson. Our focus will be to work together to create and implement a plan that reflect our community.

Additionally, the Board adopted a three-year plan for Academic Intervention Services that will create new opportunities to support student success. We look forward to implementing these programs!

Enjoy the rest of your summer! We look forward to September 6, 2022 when we are all back together!

Sincerely,

Jane Collins
