

PANTHER PRESENCE

Prowling for Excellent Attendance

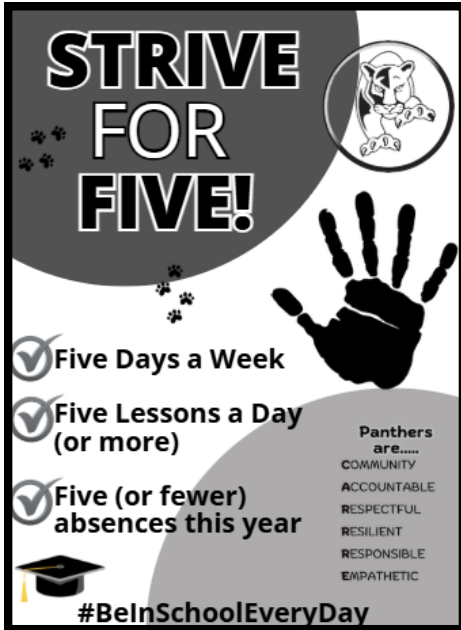

October 2025

North Country FSCS: Families, Students, Communities, Schools

Welcome to Belleville Henderson Central School District's monthly attendance newsletter.

It is our goal to provide information and resources that encourage school attendance and support positive practices.

As you have heard, BHCS D has a challenge for all of our students this year to

→ **Strive for Five!** ←

Our school teams are keeping **close track** of attendance to make sure we are supporting our Panther students and families.

If you hear from us, we want you to know that it is not connected to anything punitive. We want to **stay in touch**, offer **resources**, and **collaborate** on any barriers your family may be facing.

It is our top priority that all students have **positive relationships** and feel a **sense of belonging and safety** here at school.

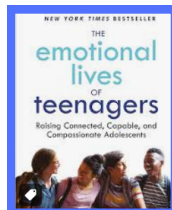

"3 Techniques for Helping ALL Students, Not Only Those with Attention Challenges"

[\(click for article\)](#)

Hint: Smaller steps, positive feedback, and routines!

The author, *Lisa D'Amour*, is an expert on the teenage years and contributor to the movie "Inside Out 2".

Click on the book to get more tips for your teens and almost-teens.

We have been in school for 21 days!

How many days has your child been absent?

If you answered **2 days or less**, we want you to keep up the good work!

If more than 2 days, your child has lost 10% (or more) of learning and social time.

#YourAttendanceMatters
