Belleville Henderson will be using my school bucks again this year as another way for you to add money to your children's accounts plus see what your child is purchasing. You will need your child's school ID number NOT his/her lunch pins. If you don't know your child's ID number you can contact me from 8am-1pm.

At this time we are not doing snack milk for k-2. We will be able to sell snack this year and extra lunch sides.

All money being sent in should be in an envelope with you child's name and if they are allowed snacks.

This year there will be three lunch options for students to order. A hot option, sandwich option, salad option.

As of right now meals will be free for students again this year.

Thanks for the help on making this another great year. Hope summer was
