NOW THEREFORE, for and in consideration of the mutual covenants hereinafter contained, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Representations of the Parties.

(a) The Company hereby represents, warrants, and covenants that, as of the date of this Agreement:

i. The Company is duly organized, and a validly existing limited liability company duly authorized to do business in the State of New York, has requisite authority to conduct its business as presently conducted or proposed to be conducted under this Agreement, and has full legal right, power, and authority to execute, deliver, and perform all applicable terms and provisions of this Agreement.

ii. All necessary action has been taken to authorize the Company's execution, delivery, and performance of this Agreement and this Agreement constitutes the Company's legal, valid, and binding obligation enforceable against it in accordance with its terms.

iii. None of the execution or delivery of this Agreement, the performance of the obligations in connection with the transactions contemplated hereby, or the fulfillment of the terms and conditions hereof will (i) conflict with or violate any provision of the Company's Certificate of Incorporation, Certificate of Formation, bylaws or other organizational documents or of any restriction or any agreement or instrument to which the Company is a party and by which it is bound; (ii) conflict with, violate, or result in a breach of any applicable law, rule, regulation, or order of any court or other taxing jurisdictions or authority of government or ordinance of the State or any political subdivision thereof; or (iii) conflict with, violate, or result in a breach of or constitute a default under or result in the imposition or creation of any mortgage, pledge, lien, security interest, or other encumbrance under this Agreement or under any term or condition of any mortgage, indenture, or any other agreement or instrument to which it is a party or by which it or any of the Company's properties or assets are bound.

iv. There is no action, suit, or proceeding, at law or in equity, or official investigation before or by any government authority pending or, to its knowledge, threatened against the Company, wherein an anticipated decision, ruling, or finding would result in a material adverse effect on the Company's ability to perform its obligations under this Agreement or on the validity or enforceability of this Agreement.

(b) The School District hereby represents, warrants, and covenants that, as of the date of this Agreement:

- i. The School District is duly organized, validly existing, and in good standing under the laws of the State of New York and has full legal right, power, and authority to execute, deliver, and perform all applicable terms and provisions of this Agreement;
- ii. All necessary action has been taken to authorize the School District's execution, delivery, and performance of this Agreement, and this Agreement constitutes a legal, valid, and binding obligation enforceable against it in accordance with its terms; and

- iii. No governmental approval by or with any government authority is required for the valid execution, delivery, and performance under this Agreement by the Taxing Jurisdiction except such as has been duly or will be obtained or made. The Belleville Henderson Central School District Board of Education has or will be approving and authorizing execution of this Agreement, which shall be affixed hereto as Exhibit B;
- iv. There is no action, suit, or proceeding, at law or in equity, or official investigation before or by any government authority pending or, to its knowledge, threatened against the School District, wherein an anticipated decision, ruling, or finding would result in a material adverse effect on the School District's ability to perform its obligations under this Agreement or on the validity or enforceability of this Agreement.
- v. As of the time of filing of Real Property Tax Exemption Form (RP 487) by the Company for the Project, the School District will have taken all action necessary to cause the RPTL Section 487 exemption to be available for the Project.

2. Tax Exemption; Payment in Lieu of Real Property Taxes.

(a) Tax-Exempt Status of the Project Facility. It is the intent of the Parties that, pursuant to RPTL 487, the Project shall be identified as exempt upon the assessment rolls of the Town of Henderson. A Real Property Tax Exemption Form (RP 487) has or will be filed by the Company with the Town Assessor. Upon acceptance by the Assessor, the Project shall be eligible for an exemption pursuant to RPTL Section 487, which shall render the Project exempt from real property school taxes otherwise payable to the Belleville Henderson Central School District.

(b) Company agrees to make annual payments to the School District in lieu of real property taxes for the Project for a period of fifteen (15) consecutive fiscal tax years in the amounts and at the times set forth in Exhibit A to this Agreement ("Annual Payments"). Such Annual Payment will not exceed the amounts that would otherwise be payable but for the RPTL 487 exemption. Such 15-year period of Annual Payments shall begin with the first applicable tax year of the Taxing Jurisdiction following the taxable status date (July 1 of such year) for which a Real Property Tax Exemption Form (RP-487) was filed with the assessor (the "Commencement Date"), and shall end with the fifteenth fiscal year following such fiscal year the exemption first became effective. Based on the Capacity of 4.38 Megawatts AC, Annual Payments to be made by the Company during the term of this Agreement is listed in Exhibit A; actual payments will be determined according to Section 3 of this Agreement.

(c) The Company agrees that the payments in lieu of taxes under this Agreement will not be reduced on account of a depreciation factor or reduction in the School District's tax rate, and the School District agrees that the payments in lieu of taxes will not be increased on account of an inflation factor or increase in the School District's tax rate, all of which factors have been considered in arriving at the payment amounts reflected in this Agreement.

3. Change in Capacity at Mechanical Completion: Adjustments to Payments. To the extent that the Capacity of the Project is more or less than the 4.38 Megawatts AC on the date when the Project is mechanically complete and Company has commenced production of electricity, the Annual Payments will be increased or decreased on a pro rata basis.

4. Change in Capacity After Mechanical Completion: Adjustments to Payments. If after the Completion Date, but during the Term of this Agreement, the Capacity is increased as a result of the replacement or upgrade of equipment or property, or decreased as a result of the partial removal or retirement of existing Project equipment or property, which replacement property has lower capacity output capability, the Annual Payments shall be increased or decreased on a pro rata basis for the remaining years of the Agreement.

5. Payment Collection.

The School District will issue an annual bill to the Company at:

Military Road Solar, LLC
101 Summer Street (2nd Floor)
Boston, MA 02110
Attn: Business Administrator

Each Annual Payment will be paid to the School District in accordance with this Section 5 and Exhibit A of this Agreement; and the payment amount and payment date will be noted on an annual bill issued by the School District to the Company, provided that any failure of the School District to issue such a bill shall not relieve Company of its obligation to make timely payments under this section.

7. Transfer or Assignment. This Agreement may not be assigned or transferred by Company without the prior written consent of the School District and such consent may not be unreasonably withheld, conditioned, or delayed. Company may, without the advance written consent of the School District, assign its obligations under this Agreement to (A) an affiliate of Company or (B) to an institutional lender providing financing to Company for the construction, operation and/or maintenance of the Project. If Company is permitted to otherwise assign this Agreement with the advance written consent of the School District, Company shall be released from all obligations under this Agreement upon assumption thereof by the assignee, provided that Company, as a condition of such assignment or transfer and to the reasonable satisfaction of the School District, cure any defaults and satisfy all liabilities arising under this Agreement prior to the date of such assignment or transfer, and the assignee agrees in writing to accept all obligations of the Company. Any assignment or transfer in violation of this Agreement shall be null and void.

8. Removal. The Company shall secure a bond sufficient with the municipality to cover the expense of the removal of the Project at the conclusion of the Project's operations.

9. Statement of Good Faith. The Parties agree that the payment obligations established by this Agreement have been negotiated in good faith in recognition of and with due consideration of

Upon receipt of the notice of termination, the Project shall be identified as the taxable on the tax roll effective on the next taxable status date of the Belleville Henderson Central School District, provided such date is not less than one hundred and twenty (120) days prior to such taxable status date. The Company shall be liable for all PILOT payments due hereunder in the year of termination, except that if Company is required to pay any part-year real property taxes, the PILOT payment for that year shall be reduced pro rata so that the Company is not required to pay both PILOT payments and real property taxes for any period of time.

13. Termination Rights of School District. Notwithstanding anything to the contrary in this Agreement, the School District may terminate this Agreement on sixty (60) days written notice to Company if:
