Belleville Henderson Central School District

Board of Education

District Goals 2019-20

LONG-TERM

1. The Board of Education would like to encourage each student's development of their natural skills and guide them to excel in a vocational trade, academics, or both.
2. The Board of Education understands that only through teamwork, cooperation, and understanding with administration and staff, will we be able to accomplish goal number one.
3. The Board of Education will maintain a strong fiscal responsibility to the school and community, understanding that programs may be necessary to help develop goals one and two.
4. The Board of Education would like to extend an invitation to the community for their input, involvement, and support for our students and welcome ideas that will enhance goals one, two, and three.
5. The Board of Education encourages each student to participate in extracurricular activities, understanding that our sports, FFA, music, and other clubs help to make a well-rounded individual.

Where we grow great

leaders!

From the Desk of Jane A. Collins, Superintendent

The 2019-2020 School Year is off to a great start! More students attended the K-8 Summer School Program this year! Elementary teachers played a part in staff development programs this summer gearing up for the implementation of *The NYS ELA and Math Next Generation Standards*. We are implementing STAR 360 which is a new universal screener that provides valid, reliable insight to help teachers make informed decisions to guide our students toward mastery. Some accolades we are proud to share include: Mrs. Ashleigh Barnhart-Burto was named by the NYSAPERD as the *2019 Secondary Health Education Teacher of the Year*; Mrs. Tedra Bean received the *NYS Outstanding Middle/Secondary Ag Ed Program Award* from the NYS Association of Agricultural Educators!

For teachers and staff, the new school year begins on September 3, 2019 with a Superintendent's Day that includes required annual training. We are pleased to announce a few staff changes and our new teachers. With Mrs. Ashleigh Barnhart-Burto taking on administrator coordinator responsibilities, we have hired Mr. Jude Fusilli as a part-time health teacher. Mr. Fusilli will also be coaching boys modified soccer. Many of you know Mrs. Amanda Bingle, who will be teaching math. Ms. JoLynn Fiorentino will be teaching kindergarten. Mr. Rodgers is re-joining the special education staff working with students in the middle levels. Mr. Art Phillips will be coming back to support math academic intervention services in grades 7-12. Mrs. Kaci Coseo is now teaching Pre-K, and Mr. Peter Bingle is teaching special education in the elementary. Ms. Karin Martinez is returning to Belleville Henderson as our AIS ELA/ELL teacher. I want to formally share that Mr. Stephen Magovney began as our Business Manager in February 2019.

Dave Kiblin and his team have the building and grounds in great shape for our grand opening! The summer has been filled with planned construction activities. In the gymnasium, the bleachers have been replaced with grey seating upstairs and downstairs. We have new black and grey padding on both ends. The auditorium has new tile flooring beneath new black and gold seating. The carpet is being replaced to match the new hunter green stage curtains which will replace the old curtains this fall. The stage rigging is being upgraded to match modern stage advancements that will give Mrs. Scherer greater staging opportunities for our drama programs. The HS wing has been prepped for twenty-six new classroom univents due to arrive in mid-September.

Varsity fields were upgraded with many truckloads of materials. In mid-September, the sod will be laid. This will result in new fields which will take at least three growing seasons before our soccer, baseball and softball programs will be able to use them! The bus garage has a new roof over the maintenance area. The heating system has been upgraded. The small vehicle storage has been gutted, filled in, and topped off with a cement floor. The oil-water separator has been replaced.

Varsity sports began on August 19, 2019. Belleville Henderson made the NYSPHSAA list for the Schools of Distinction Award in the 2018-2019 school year. Schools earning School of Distinction status had 100% of its varsity teams qualify for and receive the Scholar-Athlete Team Award. To receive the Scholar-Athlete Team Award, the team's average GPA for 75% of the roster must be greater than or equal to 90.00. We are very proud of our athletic programs academic accomplishments! We thank and recognize teachers for their guidance, support and contributions with this achievement as well as the varsity coaches: Ann Colby, Shawn Maloney, Jessica Winters, Danielle Donie, Michael Burdick, Craig Storey and Dave Green.

September 2019

Dear Parents/Guardians, Students and Staff,

Welcome back! The building and grounds at Belleville Henderson have gone through, and continue to go through, some major changes this summer.

We are very excited to be a part of the renovation of new soccer, softball, and baseball fields. What's more, sod is scheduled to be laid onto the fields in mid-September! In order for the roots to take and grass to continue to properly grow on our temporary field, we are asking all students and community members to please refrain from using the soccer field across from Country Belle. We will be using the field for games *only* this season. Please also refrain from going on the main soccer, baseball, and softball fields that under construction. These are the fields closest to the building. With proper maintenance and care from our staff and community members, our students will be rewarded with beautiful athletic fields that are projected to be ready beginning in the fall of 2020.

Speaking of fields, this summer I attended a professional baseball game in Baltimore. As we were walking away from the field and out through the city I overheard two boys, one teenager and one preteen, say something to their parents. What was said is not heard much anymore. Because of its rarity I stopped briefly to look at the family walking near me. I continued to listen to their brief conversation that went something like this:

Teenager: "Thank you, mom and dad, for taking us to the baseball game."

Pre-Teen: "Yeah. Thanks a lot. It was so much fun!"

Teenager: "Yeah. That was a lot of fun. It was great. Thanks."

Pre-Teen: "Maybe we can do it again some time."

Dad: "You're welcome. I'm glad we could go."

Perhaps the time has come for all of us to remember to say, "Thank you," when something meaningful occurs in our lives. As we raise our children in the community – local and school – let's model and teach appreciation for the little (and big) things in life. As parents, may you also be thanked for all you do for your children. You are making a difference in the life of a child – thank you!

Sincerely,

Scott A. Storey
Building Principal

Notice of Non-discrimination under Title VI, Section 504, Age Discrimination Act and Title II of the Americans with Disabilities:

The Belleville Henderson Central School District does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the non-discrimination policies:

Scott Storey, Building Principal

STUDENT PRICES

Breakfast	Free
K-6 Lunch	\$2.00
7-12 Lunch	\$2.25
Reduced Lunch	Free
Main Entrée	\$1.50
Side Dish	\$.50

ASSIGNMENT REQUEST

When a 7-12th grade student is unexpectedly absent from school it would be appreciated if that student would ask a classmate to pick-up his/her assignments and needed books. If this is not possible, please call the Main Office at 846-5411 between 8:00-9:00 AM.

When a student knows in advance that they will be absent from school (field trips, dentist, doctor, etc.), they are responsible for getting their own assignments and handing those assignments in on schedule.

If work is required for a **K-6 student**, please call Mrs. McIntosh at 846-5411 between 7:00–8:00 AM.

Note: When homework assignments are not called in during times noted above, it is not guaranteed that the homework will be available to go home that day.

ATTENDANCE

Parents of students who are late or absent will be called on a daily basis to check on their attendance. If you expect that your student will be late or absent, please call the health office phone. Calls can be made before school hours by calling 846-5323 and leaving a message on the answering machine. If you do not call in before 8:00 a.m., please expect a phone call from the nurse's office to inquire about your student's absence.

Schools are responsible for your student's learning. Schools, however, cannot do their job if your student is absent. Learning builds day by day. A student who misses a day of school misses a day of learning.

Here's How You Can Improve Your Student's Attendance

1. Talk with your student about the importance of attending school regularly.
2. Avoid scheduling family trips during school hours.
3. Help your student stay healthy by eating nutritious food and getting enough sleep and exercise.
4. Discuss with your student what is happening at school.
5. Support school rules and consequences.
6. Show your student why education is important.
7. Set a good example for your student.

WRITTEN EXCUSES FOR ABSENTEEISM

It is necessary for the school to have on file information concerning absenteeism during the school year. When your student is absent for any reason please send in a written excuse with him/her the day he/she returns to school. Excuses for students in grades K-12 should be taken to the Main Office.

An excuse should be provided EVERY TIME a student misses time from school. This includes late arrivals, early departures, and all day absences. The excuse must include:

1. Student's full name
2. Dates of Absence (s)
3. Reason for Absence
4. Parent/Guardian Signature

Excuses are legal documents and must be maintained as a student record.

PROCEDURES FOR THE DELIVERY OF ELEMENTARY STUDENTS BUS AND PICK-UP INFORMATION

- This form must be filled out for all students in grades K-6. Please indicate whether your student rides a bus, is picked up, or is a walker.
- Students will be allowed one primary DROP OFF location and one alternate location. Both destinations will be kept on file in the school office.
- Phone calls to change the afternoon drop off location will only be accepted before **noon (12:00 p.m.)**. Otherwise, a written note or in-person visit must occur if the student is to be PICKED UP or DROPPED OFF at the alternate location.

What you as a parent or guardian need to do:

1. Fill out the information form below and return it to your student's teacher as soon as possible. **Please remember to update the Unplanned Early Dismissal information. If you are going to use your Primary Destination in the event of an early dismissal, please indicate this on the form.** Send in a note each day the child is to go to their secondary location. Notes requesting changes to locations other than the two listed on the information sheet will not be allowed.
2. ***Understand that it is the parent's responsibility to have an adult waiting for the student at the bus stop.***
3. If an emergency arises, you must call the principal.
4. To change the primary or secondary location, parents must request a new form. The form must be returned to the main office and approved before the change can be made.

Annual Transportation Update - Required for all students grades K - 6
Fall 2019 - 2020

You may complete one form and list all children with the same instructions for the new school year. For any child in your household with a different Primary, Secondary or Unplanned Early Dismissal destination, please fill out a separate form. If permanent changes occur during the school year, please request a new form. If a daily transportation change is required - please send a written note to school with your child, whenever planning to use the secondary drop off location. If you are not able to send a note with your child, please send the request for change by e-mail to tmcintosh@bhpanthers.org or by fax to 315-846-5617. In addition, please call the office at 315-846-5121 to alert us to the requested change. All transportation changes are to be made in writing, before Noon (12:00 p.m.) With regard to safety, it is important to notify the office early. Thank you.

BELLEVILLE HENDERSON CENTRAL SCHOOL
NEW HORIZONS VOLUME 35

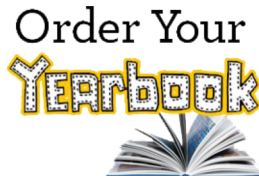

Dear Belleville Henderson Families,

We are in the process of preparing and publishing the 2020 edition of our yearbook. This year's yearbook will be printed in full color for your enjoyment.

We will do a yearbook pre-sale during the months of October & November. Price is \$40.00. This year when students order a yearbook, they will be asked to pay for them with cash or check when ordered. Yearbooks will not be ordered online this year. Please return the regular order form, the charge will be \$40.00 payable now so that you may be assured to receive a copy when yearbooks arrive in early June. Yearbooks for the Class of 2020 will be priced at \$45.00 which includes two lines of imprint and four personalized icons.

Only a very limited number of books will be ordered as extras. We strongly encourage you to **PLACE YOUR ORDER NOW** to ensure you receive a copy of our full color edition.

Please fill out this form and return it with your check made payable to Belleville Henderson Yearbook 2020 to Miss Colby or Mrs. Winters no later than Friday, December 13, 2019.

Belleville Henderson 4H After School Program 2019-20

When: Start date is September 9, 2019.
Where: Belleville Henderson School
Who: K-8 attending BHCS
Time: 2:45- 5:00PM Monday through Friday

Parent pick-up is by **5:00PM (No transportation is provided)**

The program follows the school schedule. The 4H After School Program is **NOT** in session on regular scheduled school holidays, breaks, superintendent's days, and when school is cancelled or early dismissal is in effect.

Registration: On line registration is available at www.ccejefferson.org. Registration is also available on the school web page under "Extracurricular", "4H After School", click on "4H Afterschool" and that will take you to the CCE Jefferson page to register. There are 80 spaces on a "**FRIST COME First SERVE**" basis. Paper registration forms are available from Rudy Salisbury the program coordinator (rsalisbury@bhpanthers.org). Our program will have a registration booth open and available on September 3rd (open house). Open house will be a paper registration and not on-line.

THERE IS NO COST FOR YOUR CHILD TO ATTEND THIS PROGRAM.

UPDATE FROM OUR MAINTENANCE DEPARTMENT

Our summer cleaning consists of cleaning desks, chairs, dusting, cleaning walls, sinks and bathrooms. Then when everything is all cleaned, we move everything out of the classrooms and shampoo the rugs. We also wash all the windows inside and out. Every locker in the elementary, high school and the boys and girls locker rooms are cleaned inside and out. There are also a lot of rooms that have tile in them, so those classrooms have to be scrubbed and waxed, including the gym, cafeteria and kitchen. There has also been a lot of painting inside and outside of the school.

With all the hot weather we have had this summer, it has been a chore to get everything done. Now with soccer season approaching we have fields to mark, which are done once a week. By the end of August everything will be completed.

We have seven full time people who normally work in the summer, David Kiblin, Duane Davis, Rusty Corron, Paul Passage, Joanne Kiblin, Shelly Rumsey, North Brown and Terry Nichols. We had four subs that worked this summer, Cindy Barney, Stephanie Race, Keyzia Warner, Jody Grandjean and two student workers Lynn Murdock and Isiah Nichols. We have worked around vacations to get everything done before school starts.

A NOTE FROM THE TRANSPORTATION DEPARTMENT

Dear Parents and Guardians,

We hope that you all had a great summer and are ready to return to school soon.

In an effort to make transporting your children to and from school as safe and efficient as possible, we have a few reminders as we start the 2019-20 school year.

Please have your children ready and watching for the bus. Our bus drivers leave the bus garage as early as 6:30 am. All am routes should be completed by 7:50 am. After a few days the bus routes should be adjusted and the buses will have regular stop times. Until then children should be ready between 6:30 -7:50 am. **Note, that bus drivers will NOT blow the horn to let you know the bus is there. The blowing of the horn is used to alert the child of danger and return to where they came from.**

Remind your children to pay close attention to the driver's instructions when loading and unloading buses. Children should wait until the bus comes to a complete stop before boarding the bus. Bus safety drills will be practiced throughout the school year. We hope with safety training we can make students understand the importance of the drills and to know what to do in case of an emergency on the bus.

If your child has concerns on the bus, please have them tell the driver so we can look in to their concerns. The drivers will get to know every student and make the bus ride the best we can for everyone riding.

If there are any changes to your children's regular bus stop (either short term or long term), please send a note to the main office.

Through team work and communication between parents, students, drivers and administration, we can make every bus ride a safe ride.

Thank you for a great year ahead.

Sincerely,

BHCS Transportation Staff; Head Mechanic: Phil Gleason, Bus Drivers: Richard Ryder Bus #90, Denise Wainwright Bus #92, Becky Thomas Bus #93,#96 will be a sub-driver, Bonnie Schryver Bus#97,

CHANGE IN WHEN REQUIRED SCHOOL PHYSICALS OCCUR

NYS School Physicals will now be required for grades Pre-K or Kindergarten, 1, 3, 5, 7, 9, and 11; annually for interscholastic sports; working papers as needed or as required for the Committee on Special Education or Committee on Pre-School Special Education. Dental Health Certificates will also be required for these grade levels.

School physicals will be conducted at school by the medical director/physician unless you have a physical done at your primary healthcare provider and furnish the information to the school nurse. Please be advised there is a new mandated physical form to be used by the primary healthcare provider.

If you have questions, please feel free to contact the school nurse, Karen M. Bertram at

Pesticide Notification

New York State Education Law Section 409-H requires all public and nonpublic schools to provide periodic written notification regarding the potential use of pesticides throughout the year. The Belleville Henderson Central School District maintains a list of all staff and persons in parental relation to students who wish to receive prior written notification of pesticide applications as required by law. In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will also be made to supply written notification to those on the Prior Notification List.

If you would like to receive prior notification of pesticide applications that may occur at the school, please provide a letter to:

David Kiblin
Belleville Henderson Central School District
8372 County Route 75
Adams, NY 13605

Required Notifications

Please refer to www.bhpanthers.org > Board of Education > BHCS D Policy Manual for more information on the following notifications:

- Access to Student Records (Policy #7240)
- APPR of Teachers and Principals (Policy #6130)
- Disclosure of Student Records to Military (Policy #7242)
- Student Information (“Directory Information”) (Policy #7241)
- Student Privacy (Policy #7250)

Please refer to www.bhpanthers.org, under Site Shortcuts>Your Right to Know:

- Teacher Qualification Requests

BELLEVILLE HENDERSON CENTRAL SCHOOL ASBESTOS NOTICE

All Belleville Henderson Central School District buildings have had an inspection for the presence of asbestos-containing building materials according to the Asbestos Hazardous Emergency Response Act (AHERA) of 1986. Under the Federal Guidelines, the buildings were completely inspected for asbestos-containing materials. A copy of the Management Plan is available in the Main Office, as well as the District Office. Every six months surveillance is done of the asbestos-containing material. Every three years, a mandatory re-inspection takes place in each area that is known to contain these materials.

Childhood Special Education Services

Early childhood Special Education Services are available for children from birth to the age of 5 or school age. Your child can receive a free evaluation to determine a need for special services. Special services are also free for all children, if deemed necessary after the evaluation process.

Early Intervention Services 0-2 years old

Early Intervention is a program that provides services to developmentally delayed children from birth through 2 years of age. If you have concerns regarding your child's development in the areas of speech and language, motor skills, hearing, vision, or any other areas of development, you can call Jefferson County Public Health Services at 786-3355 for an evaluation.

Preschool Special Education 3-5 years old

Preschool children who have a delay in development may be eligible for special services as well. Developmental problems can occur in any of the following areas:

- Language (talking and understanding)
- Motor (walking and movement)
- Hearing
- Visual
- Other

Each school district in New York State must have a Committee on Preschool Special Education. If you suspect your child may have a problem, you can refer your child to CPSE by contacting Erica Pettit at 846-5825 at Belleville Henderson Central School.

Pre-school special education includes evaluation and a variety of special services. There are many choices as to where and how special services can be provided. You have an opportunity for input regarding services for your child. The special services your child receives are developed by CPSE. The committee consists of you, the chairperson from the school district, the school psychologist, a representative from the county where you live, someone who evaluated your child or can interpret the evaluation, and a pre-school teacher. You are welcome to bring along anyone else you think can be helpful. If you feel that your child is delayed in any of the above areas, please do not hesitate to call your school district and request an evaluation from CPSE.

Dear Parent / Guardian and Students:

I hope you find this helpful as the school year begins.

Menus can be found on the school's website.
www.bhpanthers.org

- Shortcuts
- Food Service
- Lunch Menus

Belleville Henderson has started to use my school bucks as another way for you to add money to your students accounts plus see what your child is purchasing. You will need your child's school ID number NOT his/her lunch pins. If you don't know your child's ID number you

can contact Mrs. Grandjean from 8am - 1pm. Snack milk is available for K - 2 for .50 cents a day. If you wish for your child to get snack milk you need to send in an envelope or note stating that you wish for this to happen. They also can not have any lunch charges if they are getting snack milk.

All money being sent in should be in an envelope with your child's name and if they are allowed snacks.

Snacks and lunch side extras are .50 cents
Entire only \$1.50
Ice cream .75 cents.

BACKPACK MENU ITEMS:

PARENT/GUARDIAN and STUDENT

We are asking that your family help us out!

Please be accountable for the BHCS Backpack that is sent home each week.

We ask that you make sure the BHCS backpack is sent back to school each Monday morning. The backpack supply is limited.

We ask that you sign at the bottom of this agreement that you will be accountable each week for the backpack that is sent home to you and make sure that on Monday morning it is returned to school.

Thank you
