September 2021

Dear Parents and Guardians,

We are all looking forward to having all of our students back every day starting Tuesday, September 7, 2021 for full day in-person learning!

Teachers and school support staff participated in professional development on September 1 and 2, 2021 in areas of Health and Safety Protocols, Required NYSED Training, and topics on "Closing the Gap" in learning loss due to the pandemic.

All District sponsored extra-curricular activities will be fully implemented! Our Boys and Girls Soccer Programs are well underway! The boys team beat General Brown on Monday, August 30, 2021 scrimmage 3-1! We have under the Lights Games on September 9, 10 and 11! The Ag Fair is scheduled outdoors this year for September 18, 2021!

The Board of Education approved the Belleville Henderson District Health and Safety Protocols on August 30, 2021 and these were distributed to parents on September 1, 2021. These protocols may be found on our District website at [bhpanthers.org](http://bhpanthers.org).

Our number one priority throughout this pandemic has been to keep our students, staff and community safe. We are excited and looking forward to the start of the 2021-2022 School Year!

Together, we are, Panther Strong!

Sincerely,

Jane Collins  
Superintendent

## FROM THE DESK OF THE PRINCIPAL

September 2021

Dear Parents/Guardians, Students and Staff,

Welcome back! I assume everyone has had a wonderful vacation. I hope your family was able to enjoy times of joy, rest, and relaxation over the past ten weeks.

This past summer we were fortunate enough to provide in-person instruction to students in grades K-8. Over 105 students maintained their academic skills this summer. I would like to recognize and thank the following teachers and staff who worked directly with our students this summer. They were: Mrs. Gordinier (K), Mrs. Coseo (K), Mrs. Scoville (Gr. 1), Mrs. R. Eastman (Gr. 1), Ms. Loomis (Gr. 2), Mrs. Marlowe (Gr. 3), Mr. Fusilli (Gr. 3), Mrs. C. Eastman (Gr. 4), Mrs. Corron (Gr. 5-6), Mrs. Bingle (Gr. 7-8), Mr. Morales (Credit Recovery), Mrs. Race (TA), Mrs. Matthews (TA), and Mrs. Bertram (Nurse).

We would also like to honor and acknowledge our non-instructional staff who supported the education of our students this summer. These individuals are Mrs. McIntosh, Mrs. Hess, Mr. Gagan, Mrs. VanBrocklin, Mrs. Pettit, Ms. Morales, and all District Office employees - Mrs. Bellinger, Mrs. Riordan, Mrs. Kohl, Mr. Magovney, and Ms. Collins.

A special thank you is extended to our transportation department, maintenance, and technology departments, whose staff worked daily to ensure our students experience a safe educational environment throughout the summer and into the fall school year.

Finally, the Belleville Henderson Board of Education continues to be a strong supporter of our Summer School Program. Without their support our students would not have had the opportunity to strengthen their academic skills over the summer.

Changing topics, the Belleville Henderson Backpack Program will be in full swing again this year. Last year we provided twelve families with a backpack full of food for the weekend. We were pleased to be able to offer our Backpack Program to our Summer School students' families this year as well. We hope to grow the program even more in 2021-22. If you would like more information about the Backpack Program please call the main office. To apply for assistance, please call Mrs. Bertram at 846-5323.

As in past years, Belleville Henderson, through Cornell Cooperative Extension, is pleased to be offering its students an after-school program. This program offers students an academic hour of support as well as a renowned 4-H curriculum. You may enroll your child in the 4-H program by visiting <http://ccejefferson.org/4-h-youth/4-h-afterschool/belleville-henderson>.

As the new school year begins, I encourage parents to be actively involved in their children's education. Together, we can provide the best educational environment. Please don't hesitate to contact me at any time if you have any questions or concerns.

Again, welcome back! I look forward to a successful and rewarding school year.

Sincerely,  
*Mr. Storey*

## ASSIGNMENT REQUEST

When a 7-12th grade student is unexpectedly absent from school it would be appreciated if that student would ask a classmate to pick-up his/her assignments and needed books. If this is not possible, please call the Main Office at 846-5411 between 8:00-9:00 AM.

When a student knows in advance that they will be absent from school (field trips, dentist, doctor, etc.), they are responsible for getting their own assignments and handing those assignments in on schedule.

If work is required for a K-6 student, please call Mrs. McIntosh at 846-5411 between 7:00-8:00 AM.

**Note: When homework assignments are not called in during times noted above, it is not guaranteed that the homework will be available to go home that day.**

## ***ATTENDANCE***

Parents of students who are late or absent will be called on a daily basis to check on their attendance. If you expect that your student will be late or absent, please call the health office phone. Calls can be made before school hours by calling 846-5323 and leaving a message on the answering machine. If you do not call in before 8:00 a.m., please expect a phone call from the nurse's office to inquire about your student's absence.

Schools are responsible for your student's learning. Schools, however, cannot do their job if your student is absent. Learning builds day by day. A student who misses a day of school misses a day of learning.

### **Here's How You Can Improve Your Student's Attendance**

1. Talk with your student about the importance of attending school regularly.
2. Avoid scheduling family trips during school hours.
3. Help your student stay healthy by eating nutritious food and getting enough sleep and exercise.
4. Discuss with your student what is happening at school.
5. Support school rules and consequences.
6. Show your student why education is important.
7. Set a good example for your student.

The Board of Education has adopted a policy that students must attend school a minimum 85% of class sessions.

## ***WRITTEN EXCUSES FOR ABSENTEEISM***

It is necessary for the school to have on file information concerning absenteeism during the school year. When your student is absent for any reason please send in a written excuse with him/her the day he/she returns to school. Excuses for students in grades K-12 should be taken to the Main Office.

An excuse should be provided EVERY TIME a student misses time from school. This includes late arrivals, early departures, and all day absences. The excuse must include:

1. Student's full name
2. Dates of Absence (s)
3. Reason for Absence
4. Parent/Guardian Signature

Excuses are legal documents and must be maintained as a student record.

## MAINTENANCE DEPARTMENT NEWS

It's time for another school year to start. We have been through the school cleaning and washing furniture, stripping and waxing class room floors. We also recoated the Gymnasium floor and all the carpets were cleaned and shampooed.

Soccer fields are ready for another season to start. Our driveways and parking areas are all sealed and freshly striped.

It's going to be another interesting school year with extra cleaning and disinfecting procedures in place to keep our students and staff protected from the virus.

We have had a great team this year getting things done and they are Duane Davis, Rusty Corron, Paul Passage, Steve Overton, Terry Nichols, Isiah Nichols, Josh Biggs, Cindy Barney and several subs John Cobb, John Cobb Jr. and Mark Armstrong. Rusty Corron will be retiring after 20 years of service to Belleville Henderson CSD. Rusty was a good worker and will be missed. Enjoy your retirement Rusty!!

We are excited to have the students and staff return for another Great School Year.

Dave Kiblin  
Head of Maintenance

## ***Childhood Special Education Services***

Early childhood Special Education Services are available for children from birth to the age of 5 or school age. Your child can receive a free evaluation to determine a need for special services. Special services are also free for all children, if deemed necessary after the evaluation process.

### ***Early Intervention Services 0-2 years old***

Early Intervention is a program that provides services to developmentally delayed children from birth through 2 years of age. If you have concerns regarding your child's development in the areas of speech and language, motor skills, hearing, vision, or any other areas of development, you can call Jefferson County Public Health Services at 786-3355 for an evaluation.

### ***Preschool Special Education 3-5 years old***

Preschool children who have a delay in development may be eligible for special services as well. Developmental problems can occur in any of the following areas:

- Language (talking and understanding)
- Motor (walking and movement)
- Hearing
- Visual
- Other

Each school district in New York State must have a Committee on Preschool Special Education. If you suspect your child may have a problem, you can refer your child to CPSE by contacting Erica Pettit at 846-5825 at Belleville Henderson Central School.

Pre-school special education includes evaluation and a variety of special services. There are many choices as to where and how special services can be provided. You have an opportunity for input regarding services for your child. The special services your child receives are developed by CPSE. The committee consists of you, the chairperson from the school district, the school psychologist, a representative from the county where you live, someone who evaluated your child or can interpret the evaluation, and a pre-school teacher. You are welcome to bring along anyone else you think can be helpful. If you feel that your child is delayed in any of the above areas, please do not hesitate to call your school district and request an evaluation from CPSE.

If you need further information regarding the referral process to Early Intervention or CPSE, please feel free to call Kathi Zecher, Associate Director of Head Start, Health and Disabilities Services at 782-4900 ext. 242. You may also call Erica Pettit, CPSE Chairperson, at 846-5825.
