FROM THE DESK OF THE PRINCIPAL

September 2022

Dear Parents/Guardians, Students and Staff,

Welcome back! I hope everyone has had a wonderful vacation. I hope your family was able to enjoy times of joy, rest, and relaxation over the past ten weeks.

This past summer we were fortunate enough to provide in-person instruction to students in grades K-8. Over 90 students maintained their academic skills this summer. I would like to recognize and thank the following teachers and staff who worked directly with our students this summer. They were: Mrs. Gordinier (K), Mrs. Coseo (K), Mrs. Scoville (Gr. 1), Mrs. Rutigliano (Gr. 1), Mrs. Clark (Gr. 2), Mrs. Marlowe (Gr. 3), Mrs. C. Eastman (Gr. 4), Mrs. Tiller (Gr. 5), Mrs. Corron (Gr. 6), Ms. Loomis (Gr. 7-8), Mr. Bingle (Credit Recovery), Mrs. Barney (aide), Mrs. Grandjean (aide), and Mrs. Bertram (Nurse).

We would also like to honor and acknowledge our non-instructional staff who supported the education of our students this summer. These individuals are Mrs. McIntosh, Mrs. Hess, Mr. Gagan, Mrs. VanBrocklin, Mrs. Pettit, Ms. Morales, and all District Office employees - Mrs. Bellinger, Mrs. Riordan, Mrs. Kohl, Mr. Magovney, and Ms. Collins.

A special thank you is extended to our transportation department, maintenance, and technology departments, whose staff worked daily to ensure our students experience a safe educational environment throughout the summer and into the fall school year.

Finally, the Belleville Henderson Board of Education continues to be a strong supporter of our Summer School Program. Without their support, our students would not have had the opportunity to strengthen their academic skills over the summer.

Changing topics, the Belleville Henderson Backpack Program will be in full swing again this year. Last year we provided twelve families with a backpack full of food for the weekend. We were pleased to be able to offer our Backpack Program to our Summer School students' families this year as well. We hope to grow the program even more in 2022-2023. If you would like more information about the Backpack Program please call the main office. To seek assistance, please call Mrs. Bertram at 846-5323.

As in past years, Belleville Henderson, through Cornell Cooperative Extension, is pleased to be offering its students an after-school program. This program offers students an academic hour of support as well as a renowned 4-H curriculum. You may enroll your child in the 4-H program by visiting <http://ccejefferson.org/4-h-youth/4-h-afterschool/belleville-henderson>.

As the new school year begins, I encourage parents to be actively involved in their children's education. Together, we can provide the best educational environment. Please do not hesitate to contact me at any time if you have any questions or concerns.

Again, welcome back! I look forward to a successful and rewarding school year.

Sincerely,

Mr. Storey

Fall Sports Update:

We hope you have been enjoying summer and spending time with your families making special memories. We wanted to let you know that Varsity Boys' and Varsity Girls' Soccer will begin on Monday, August 22, 2022 and Modified Boys' and Girls' Soccer will begin on Tuesday, September 6, 2022.

New this year, we will be holding a **mandatory student-athlete / parent meeting on Thursday, August 18, 2022 at 6:00 pm.** Paperwork was mailed home on Thursday, August 4, 2022. We ask that you bring all completed paperwork to this mandatory meeting. This will allow us time to ensure we have everything students need prior to the first day of practice.

As a reminder all schedules can be found on the following website:
<https://www.schedulegalaxy.com/>

We look forward to another exciting soccer season at Belleville Henderson and hope you can come out to support our Panther athletic teams!

AIS Update:

We have been working on updating our AIS plan for the 2022-2023 school year. As a review, AIS stands for Academic Intervention Services (AIS) and is supplemental instruction beyond the general curriculum to help students at risk of not achieving New York State Learning Standards. These services are designed to improve academic performance and may include guidance and counseling services, response to poor attendance, and study skills instruction.

Response to Intervention (RTI) is a model used to address a student's individual needs by providing individualized interventions and measuring the student's level of performance over time to make important educational decisions. RTI tiers are often included and are a strong component of its AIS Implementation Plan.

For the 2022-2023 school year, we will be implementing a flooding model for grades K-6. As part of this model aides and assistants will support our students in academic areas for 80 minutes a day. Students in need of academic support in grades 7-12 will be placed in our learning center classroom. Both the flooding model and learning center model are designed to provide students with additional support in specific areas of need.

This is an exciting time for our students and teachers at Belleville Henderson. We are confident our flooding model and learning center model will provide strong academic support programs for our students.

If you have any questions please feel free to reach out to Ashleigh Barnhart-Burto at abarnhart-burto@bhpanthers.org or by phone 315-846-5121.

Ashleigh M. Barnhart-Burto
Athletic Director / Curriculum, Instruction, and Assessment Director

ATTENDANCE

Parents of students who are late or absent will be called on a daily basis to check on their attendance. If you expect that your student will be late or absent, please call the health office phone. Calls can be made before school hours by calling 846-5323 and leaving a message on the answering machine. If you do not call in before 8:00 a.m., please expect a phone call from the nurse's office to inquire about your student's absence.

Schools are responsible for your student's learning. Schools, however, cannot do their job if your student is absent. Learning builds day by day. A student who misses a day of school misses a day of learning.

Here's How You Can Improve Your Student's Attendance

1. Talk with your student about the importance of attending school regularly.
2. Avoid scheduling family trips during school hours.
3. Help your student stay healthy by eating nutritious food and getting enough sleep and exercise.
4. Discuss with your student what is happening at school.
5. Support school rules and consequences.
6. Show your student why education is important.
7. Set a good example for your student.

The Board of Education has adopted a policy that students must attend school a minimum 85% of class sessions.

WRITTEN EXCUSES FOR ABSENTEEISM

It is necessary for the school to have on file information concerning absenteeism during the school year. When your student is absent for any reason please send in a written excuse with him/her the day he/she returns to school. Excuses for students in grades K-12 should be taken to the Main Office.

An excuse should be provided EVERY TIME a student misses time from school. This includes late arrivals, early departures, and all day absences. The excuse must include:

1. Student's full name
2. Dates of Absence (s)
3. Reason for Absence
4. Parent/Guardian Signature

Excuses are legal documents and must be maintained as a student record.

Notice of Non-discrimination under Title VI, Section 504, Age Discrimination Act and Title II of the Americans with Disabilities:

The Belleville Henderson Central School District does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the non-discrimination policies:

Scott Storey, Building Principal
8372 County Route 75
Adams, NY 13605
315-846-5411

Inquiries concerning the application of the Belleville Henderson Central School District non-discrimination policies may also be referred to the U.S. Department of Education, Office for Civil Rights (OCR), 32 Old Slip, 26th Floor, New York, NY 10005, telephone (646)428-3800

ASSIGNMENT REQUEST

When a 7-12th grade student is unexpectedly absent from school it would be appreciated if that student would ask a classmate to pick-up his/her assignments and needed books. If this is not possible, please call the Main Office at 846-5411 between 8:00-9:00 AM.

When a student knows in advance that they will be absent from school (field trips, dentist, doctor, etc.), they are responsible for getting their own assignments and handing those assignments in on schedule.

If work is required for a K-6 student, please call Mrs. McIntosh at 846-5411 between 7:00-8:00 AM.

Note: When homework assignments are not called in during times noted above, it is not guaranteed that the homework will be available to go home that day.

BUS CHANGE INFORMATION

Parents / Guardians at the beginning of the new school year please update your children's bus information. We need a new bus note each year we can not use old bus notes.

Bus change information should be taken to the Main Office. Please be very specific when writing bus note changes. The following information should be included on the bus note:

1. Student's full name
2. The date
3. The person's name where the child is going
4. The address and telephone number for that person

Childhood Special Education Services

Early childhood Special Education Services are available for children from birth to the age of 5 or school age. Your child can receive a free evaluation to determine a need for special services. Special services are also free for all children, if deemed necessary after the evaluation process.

Early Intervention Services 0-2 years old

Early Intervention is a program that provides services to developmentally delayed children from birth through 2 years of age. If you have concerns regarding your child's development in the areas of speech and language, motor skills, hearing, vision, or any other areas of development, you can call Jefferson County Public Health Services at 786-3355 for an evaluation.

Preschool Special Education 3-5 years old

Preschool children who have a delay in development may be eligible for special services as well. Developmental problems can occur in any of the following areas:

- Language (talking and understanding)
- Motor (walking and movement)
- Hearing
- Visual
- Other

Each school district in New York State must have a Committee on Preschool Special Education. If you suspect your child may have a problem, you can refer your child to CPSE by contacting Erica Pettit at 846-5825 at Belleville Henderson Central School.

Pre-school special education includes evaluation and a variety of special services. There are many choices as to where and how special services can be provided. You have an opportunity for input regarding services for your child. The special services your child receives are developed by CPSE. The committee consists of you, the chairperson from the school district, the school psychologist, a representative from the county where you live, someone who evaluated your child or can interpret the evaluation, and a pre-school teacher. You are welcome to bring along anyone else you think can be helpful. If you feel that your child is delayed in any of the above areas, please do not hesitate to call your school district and request an evaluation from CPSE.

If you need further information regarding the referral process to Early Intervention or CPSE, please feel free to call Kathi Zecher, Associate Director of Head Start, Health and Disabilities Services at 782-4900 ext. 242. You may also call Erica Pettit, CPSE Chairperson, at 846-5825.

PESTICIDE NOTIFICATION

New York State Education Law Section 409-H requires all public and nonpublic schools to provide periodic written notification regarding the potential use of pesticides throughout the year. The Belleville Henderson Central School District maintains a list of all staff and persons in parental relation to students who wish to receive prior written notification of pesticide applications as required by law. In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will also be made to supply written notification to those on the Prior Notification List.

If you would like to receive prior notification of pesticide applications that may occur at the school, please provide a letter to:

MAINTENANCE DEPARTMENT

Hello everyone,

I would like to give a big shout out to my crew and say thank you!! They really are an awesome team to be part of. My crew as most of you know but some may not, consists of Adam, Paul, Duane, Terry, Matt, Mike, and Phillip. Also a big thank you to my summer helpers Cindy Barney, Connie Passage and two students from Belleville Henderson came to us from the Workplace Alexis Davis and Jaden Babcock.

A lot of stuff has happened in a short period of time this year. We have been two people short all summer, but it hasn't slowed anyone down. Landscape work has been nonstop, between the lawn mowing, trimming the trees up, and field maintenance. We have been cleaning, painting, and scrubbing carpets. All the rooms get emptied out, everything gets wiped down, carpets get shampooed, and everything gets put back into place. The stage floor has been done. The gym floor is in process at this time. We also have been working with the IT department with running more cabling and trying to resolve any issues with connection problems whenever we could be of any help. The air filters have been or will be changed in all of the uni-vents and air handlers before school starts.

With that being said, I hope everyone has been able to have a great summer. I hope for a speedy return for my two crew members. They have been missed by all. Finally! We are almost to the start of another school year. Which means the halls will be filled with laughter again. Which means Christmas is almost here. Which means SNOW!!!
