Belleville Henderson  
Central School District  
Board of Education  
District Goals 2018-19

LONG-TERM

1. The Board of Education would like to encourage each student's development of their natural skills and guide them to excel in a vocational trade, academics, or both.
2. The Board of Education understands that only through teamwork, cooperation, and understanding with administration and staff, will we be able to accomplish goal number one.
3. The Board of Education will maintain a strong fiscal responsibility to the school and community, understanding that programs may be necessary to help develop goals one and two.
4. The Board of Education would like to extend an invitation to the community for their input, involvement, and support for our students and welcome ideas that will enhance goals one, two, and three.
5. The Board of Education encourages each student to participate in extracurricular activities, understanding that our sports, FFA, music, and other clubs help to make a well-rounded individual.

SHORT-TERM

6. The Board of Education encourages school and community participation in the selection of the new Superintendent for the Belleville Henderson School District.

Where we grow great leaders!

---

## *From the Desk of the Jane A. Collins, Interim Superintendent*

The Belleville Henderson Board's motto is "Where we grow great leaders!" Our academic programs are second to none beginning with a robust elementary foundation, followed by outstanding course offerings in math, science, foreign language, social studies, English, the arts, technology, business, and music! We are very proud to house the longest continuous running *Agricultural Educational and FFA Program* in the country! Our School Board's first goal is to **encourage each students development of their natural skills and guide students to excel in a vocational trade, the academics, or both.**

Our staff return on Wednesday, August 29, 2018 for our annual district meeting. Students return to school on Tuesday, September 4, 2018. Open House will be Tuesday, September 4<sup>th</sup> from 5:30 to 7:00 PM. We look forward to parents and students visiting teachers and the classrooms. Please join us!

Belleville Henderson's new staff are: Mrs. Jessica Taylor in Pre-K; Mr. Abel Larkin in secondary mathematics; Ms. Teresa Grigg in French; Ms. Karen Gleason is a bus aide; and Mr. Terry Nichols fills a cleaner vacancy. Returning to Belleville Henderson is Mrs. Cheryl Chaif as our ESL teacher. Additionally, the following staff are in new assignments in the elementary grades: Mrs. Gordinier will be in Kindergarten; Mrs. Costello is in second grade; and Mrs. Dudley is in third grade. Mrs. Stephanie Race is assisting Mrs. Sharlene Loomis as a teacher assistant supporting academic intervention. Mrs. Deborah Whelan, a teacher assistant, will be with Mrs. Taylor in Pre-K.

Ms. Bertram, Mr. Gagan and Mrs. Pettit, under the direction of our School Principal, Mr. Storey, have the academic and medical records set for 2018-2019. Mrs. Barb Greene, a distinguished member of the school community has stepped in as our temporary Business Manager, and she is working with our Treasurer, Mrs. Riordan, and Account Clerk, Mrs. Bellinger to offer prototypical business operations. I want to thank Mrs. Kohl, Mrs. McIntosh, Mrs. Hess and Ms. Morales who have provided continuity and consistency for parents and community members by fielding questions and managing summer operations. To Mr. Kiblin and the buildings and grounds department, we give a heartfelt "thank you." They take great pride in the preservation and maintenance of our outstanding facilities. Belleville Henderson's fleet of buses are ready to roll thanks to the leadership of Phil Gleason. The Belleville Henderson bus drivers are completing required annual training on August 29<sup>th</sup> and will soon have our buses out on the road, again!

Belleville Henderson soccer programs are in terrific shape! We have a great turnout of athletes! Our varsity coaches, Ms. Colby and Mr. Green, and, Mr. Maloney and Mr. Vaughn, are focused on leading promising soccer results. Our teams are working hard in the practices!

As a record of history, the *Rohde Community Center* in Adams, NY, is a long standing **food center** that was started by a Belleville Henderson native many years ago, Muriel Rohde. Mrs. Rohde's vision was to provide families and individuals with proper nutrition. I commend the Belleville and Henderson community volunteer members who continue to support the center. In this newsletter, we included more information about the Rohde Center. Please share the Rohde Community Center Program information with your relatives and neighbors.

It is a privilege to serve as the Interim Superintendent during this transition between leaders. I hope you will be able to join us for our *Open House* on September 4<sup>th</sup> at 5:30 PM, and the Booster Club, again, is sponsoring *Under the Lights Games* for the girls on September 27<sup>th</sup> at 7 pm and boys on September 28<sup>th</sup> at 7 PM where we continue to be *Panther Strong!*

Sincerely,

*Jane A. Collins*

Interim Superintendent

September 2018

Dear Parents/Guardians, Students and Staff,

Welcome back! I assume everyone has had a wonderful vacation. We certainly have enjoyed some beautiful weather for this summer.

Part of the joy of summer vacation is getting away for a period of time. Some vacations or “get aways” may last for a few days or weeks, others may only be for an hour or two. The best part of vacations, however, are the memories you make with the people with whom you are spending time.

This summer I had the opportunity to spend time with family in Boston and Pennsylvania, friends in Washington D.C., boys on a baseball field, and my son and his friend at Water Safari. It was this particular “day vacation” that made the whole summer.

We headed for the Forest at 8:00 am one beautiful morning. I took them to Stewart’s for breakfast pizza then showed them the Russian Church in Lewis County. My two-hour drive also consisted of listening to 12 year olds complaining about my 80’s music.

As you know when boys are pre-teens they like their independence. My son is no different. He and his friend were looking to run amuck at Water Safari – without me. While they were allowed some freedom, I found myself enjoying a few water rides with them. I figured I might as well get my money’s worth. As I rode these rides with my son and his friend they soon realized they didn’t want as much independence as they thought. In fact, what made the entire summer, was when my son and his friend, half way through the day, said, “Dad/Mr. Storey, want to ride the Scrambler with us.” THEY invited ME to be with THEM. I no longer was the father/ adult they wanted to get away from.

Many parents may enjoy the lazy river or lounge chair by the water. A time when they can catch their breath from the hustle of a pre-teen. Those lazy moments were nice for me, too, but the best moment was the invitation I received from my son and his friend.

About two minutes away from dropping off my son’s friend, the boys were involved in a baseball game on the iPad. Then I heard, “Dad, just one more inning. We’re about to win the championship. Can you pull over and let us win?” How could I say no? As we high-fived their victory I knew this moment would be remembered for quite some time.

Memories from the summer of 2018 have provided me with a refreshing start to the school year. No matter how big or small I hope you were able to get out of the fast lane and make memories of your own. And for those of you wondering... yes I rode the Scrambler!

Sincerely,

Mr. Storey

## ASSIGNMENT REQUEST

When a 7-12th grade student is unexpectedly absent from school it would be appreciated if that student would ask a classmate to pick-up his/her assignments and needed books. If this is not possible, please call the Main Office at 846-5411 between 8:00-9:00 AM.

When a student knows in advance that they will be absent from school (field trips, dentist, doctor, etc.), they are responsible for getting their own assignments and handing those assignments in on schedule.

If work is required for a **K-6 student**, please call Mrs. McIntosh at 846-5411 between 7:00-8:00 AM.

**Note: When homework assignments are not called in during times noted above, it is not guaranteed that the homework will be available to go home that day.**

---

## ***ATTENDANCE***

Parents of students who are late or absent will be called on a daily basis to check on their attendance. If you expect that your student will be late or absent, please call the health office phone. Calls can be made before school hours by calling 846-5323 and leaving a message on the answering machine. If you do not call in before 8:00 a.m., please expect a phone call from the nurse's office to inquire about your student's absence.

Schools are responsible for your student's learning. Schools, however, cannot do their job if your student is absent. Learning builds day by day. A student who misses a day of school misses a day of learning.

### **Here's How You Can Improve Your Student's Attendance**

1. Talk with your student about the importance of attending school regularly.
2. Avoid scheduling family trips during school hours.
3. Help your student stay healthy by eating nutritious food and getting enough sleep and exercise.
4. Discuss with your student what is happening at school.
5. Support school rules and consequences.
6. Show your student why education is important.
7. Set a good example for your student.

The Board of Education has adopted a policy that students must attend school a minimum 85% of class sessions.

## ***WRITTEN EXCUSES FOR ABSENTEEISM***

It is necessary for the school to have on file information concerning absenteeism during the school year. When your student is absent for any reason please send in a written excuse with him/her the day he/she returns to school. Excuses for students in grades K-12 should be taken to the Main Office.

An excuse should be provided EVERY TIME a student misses time from school. This includes late arrivals, early departures, and all day absences. The excuse must include:

1. Student's full name
2. Dates of Absence (s)
3. Reason for Absence
4. Parent/Guardian Signature

Excuses are legal documents and must be maintained as a student record.

## GUIDANCE OFFICE NEWS

Changes to schedules can be made up until 9/21/2018 for academic reasons only.

A representative from St. Lawrence University will be in the Guidance Office 10/1/2018 @ 8:00 am

A representative from SUNY Potsdam will be in the Guidance Office 10/25/2018 @ 8:00 am

### *PROCEDURES FOR THE DELIVERY OF ELEMENTARY STUDENTS*

#### *Bus and Pick-up Information*

- This form must be filled out for all students in grades K-6. Please indicate whether your student rides a bus, is picked up, or is a walker.
- Students will be allowed one primary DROP OFF location and one alternate location. Both destinations will be kept on file in the school office.
- Phone calls to change the afternoon drop off location will only be accepted before **noon (12:00 p.m.)**. Otherwise, a written note or in-person visit must occur if the student is to be PICKED UP or DROPPED OFF at the alternate location.

#### **What you as a parent or guardian need to do:**

1. Fill out the information form below and return it to your student's teacher as soon as possible. **Please remember to update the Unplanned Early Dismissal information. If you are going to use your Primary Destination in the event of an early dismissal, please indicate this on the form.** Send in a note each day the child is to go to their secondary location. Notes requesting changes to locations other than the two listed on the information sheet will not be allowed.
2. ***Understand that it is the parent's responsibility to have an adult waiting for the student at the bus stop.***
3. If an emergency arises, you must call the principal.
4. To change the primary or secondary location, parents must request a new form. The form must be returned to the main office and approved before the change can be made.

Annual Transportation Update - Required for all students grades K - 6  
Fall 2018 - 2019  
PM Bus / Pick-Up / After School Program / Unplanned Early Dismissal

You may complete one form and list all children with the same instructions for the new school year. For any child in your household with a different Primary, Secondary or Unplanned Early Dismissal destination, please fill out a separate form. If permanent changes occur during the school year, please request a new form.

If a daily transportation change is required - please send a written note to school with your child, whenever planning to use the secondary drop off location. If you are not able to send a note with your child, please send the request for change by e-mail to [tcintosh@bhpanthers.org](mailto:tcintosh@bhpanthers.org) or by fax to 315-846-5617. In addition, please call the office at 315-846-5121 to alert us to the requested change. All transportation changes are to be made in writing, before Noon (12:00 p.m.) With regard to safety, it is important to notify the office early. Thank you.

## UPDATE FROM OUR MAINTENANCE DEPARTMENT

*Our summer cleaning consists of cleaning desks, chairs, dusting, cleaning walls, sinks and bathrooms. Then when everything is all cleaned, we move everything out of the classrooms and shampoo the rugs. We also wash all the windows inside and out. Every locker in the elementary, high school and the boys and girls locker rooms are cleaned inside and out. There are also a lot of rooms that have tile in them, so those classrooms have to be scrubbed and waxed, including the gym, cafeteria and kitchen. There has also been a lot of painting inside and outside of the school.*

*With all the hot weather we have had this summer, it has been a chore to get everything done. Now with soccer season approaching we have fields to mark, which are done once a week. By the end of August everything will be completed.*

*We have seven full time people who normally work in the summer, David Kiblin, Duane Davis, Rusty Corron, Paul Passage, Joanne Kiblin, Shelly Rumsey and Terry Nichols. We had two subs that worked this summer, Cindy Barney and Denise Wainwright. We have worked around vacations to get everything done before school starts.*

## ***Childhood Special Education Services***

Early childhood Special Education Services are available for children from birth to the age of 5 or school age. Your child can receive a free evaluation to determine a need for special services. Special services are also free for all children, if deemed necessary after the evaluation process.

### ***Early Intervention Services 0-2 years old***

Early Intervention is a program that provides services to developmentally delayed children from birth through 2 years of age. If you have concerns regarding your child's development in the areas of speech and language, motor skills, hearing, vision, or any other areas of development, you can call Jefferson County Public Health Services at 786-3355 for an evaluation.

### ***Preschool Special Education 3-5 years old***

Preschool children who have a delay in development may be eligible for special services as well. Developmental problems can occur in any of the following areas:

- Language (talking and understanding)
- Motor (walking and movement)
- Hearing
- Visual
- Other

Each school district in New York State must have a Committee on Preschool Special Education. If you suspect your child may have a problem, you can refer your child to CPSE by contacting Erica Pettit at 846-5825 at Belleville Henderson Central School.

Pre-school special education includes evaluation and a variety of special services. There are many choices as to where and how special services can be provided. You have an opportunity for input regarding services for your child. The special services your child receives are developed by CPSE. The committee consists of you, the chairperson from the school district, the school psychologist, a representative from the county where you live, someone who evaluated your child or can interpret the evaluation, and a pre-school teacher. You are welcome to bring along anyone else you think can be helpful. If you feel that your child is delayed in any of the above areas, please do not hesitate to call your school district and request an evaluation from CPSE.

If you need further information regarding the referral process to Early Intervention or CPSE, please feel free to call Kathi Zecher, Associate Director of Head Start, Health and Disabilities Services at 782-4900 ext. 242. You may also call Erica Pettit, CPSE Chairperson, at 846-5825.

### Pesticide Notification

New York State Education Law Section 409-H requires all public and nonpublic schools to provide periodic written notification regarding the potential use of pesticides throughout the year. The Belleville Henderson Central School District maintains a list of all staff and persons in parental relation to students who wish to receive prior written notification of pesticide applications as required by law. In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will also be made to supply written notification to those on the Prior Notification List.

If you would like to receive prior notification of pesticide applications that may occur at the school, please provide a letter to:

David Kiblin  
Belleville Henderson Central School District  
8372 County Route 75  
Adams, NY 13605

State your request, your address, day and evening phone numbers, and an email address. Sign and date your request.

## **CHANGE IN WHEN REQUIRED SCHOOL PHYSICALS OCCUR**

NYS School Physicals will now be required for grades Pre-K or Kindergarten, 1, 3, 5, 7, 9, and 11; annually for interscholastic sports; working papers as needed or as required for the Committee on Special Education or Committee on Pre-School Special Education. Dental Health Certificates will also be required for these grade levels.

School physicals will be conducted at school by the medical director/physician unless you have a physical done at your primary healthcare provider and furnish the information to the school nurse. Please be advised there is a new mandated physical form to be used by the primary healthcare provider.

If you have questions, please feel free to contact the school nurse, Karen M. Bertram at 315-846-5323.

## BELLEVILLE HENDERSON CENTRAL SCHOOL ASBESTOS NOTICE

All Belleville Henderson Central School District buildings have had an inspection for the presence of asbestos-containing building materials according to the Asbestos Hazardous Emergency Response Act (AHERA) of 1986. Under the Federal Guidelines, the buildings were completely inspected for asbestos-containing materials. A copy of the Management Plan is available in the Main Office, as well as the District Office. Every six months surveillance is done of the asbestos-containing material. Every three years, a mandatory re-inspection takes place in each area that is known to contain these materials.

The District's contact person regarding asbestos is Dave Kiblin, Head of Maintenance. Mr. Kiblin can be contacted at (315) 846-5411.

## A NOTE FROM THE TRANSPORTATION DEPARTMENT

Dear Parents and Guardians,

We hope that you all had a great summer and are ready to return to school soon.

In an effort to make transporting your children to and from school as safe and efficient as possible, we have a few reminders as we start the 2018-19 school year.

Please have your children ready and watching for the bus. Our bus drivers leave the bus garage as early as 6:30 am. All am routes should be completed by 7:50 am. After a few days the bus routes should be adjusted and the buses will have regular stop times. Until then children should be ready between 6:30 -7:50 am.

**Note, that bus drivers will NOT blow the horn to let you know the bus is there. The blowing of the horn is used to alert the child of danger and return to where they came from.**

Remind your children to pay close attention to the driver's instructions when loading and unloading buses. Children should wait until the bus comes to a complete stop before boarding the bus. Bus safety drills will be practiced throughout the school year. We hope with safety training we can make students understand the importance of the drills and to know what to do in case of an emergency on the bus.

If your child has concerns on the bus, please have them tell the driver so we can look in to their concerns. The drivers will get to know every student and make the bus ride the best we can for everyone riding.

If there are any changes to your children's regular bus stop (either short term or long term), please send a note to the main office.

Through team work and communication between parents, students, drivers and administration, we can make every bus ride a safe ride.

Thank you for a great year ahead.

Sincerely,

BHCS Transportation Staff; Head Mechanic: Phil Gleason, Bus Drivers: Richard Ryder Bus #90, Denise Wainwright Bus #92, Becky Thomas Bus #93,#96 will be a sub-driver, Bonnie Schryver Bus#97, Tina Spencer Bus #98, Virginia Nelson Bus#99 and Sally Kleiboer Bus #100. Bus Monitors: Alicia Lashway and Karen Gleason. Substitute Drivers & Monitors: Peter Dayger, Paul Gibbs, Adam Hallett, Cathy Scofield, Jim Scofield, David Simmons, Debra Simmons, Kevin Simpson and Keyzia Warner.
